I. POLICY STATEMENT

Fraternity and Sorority Life (FSL) at Michigan State University (MSU) recognizes the importance of the Membership Intake and Recruitment processes. FSL supports efforts in the development of new members, as well as the chapter. As students continue to seek membership in Greek letter organizations at MSU, it is important that Fraternity and Sorority Life establish a system of communication with organizations wanting to conduct intake recruitment activities for new members.

II. SCOPE

Each of the affiliate organizations of the Multicultural Greek Council (MGC), National Pan-Hellenic Council (NPHC), Interfraternity Council (IFC), and Panhellenic Council (PC) exists on the MSU campus because of a collaborative partnership. It is important that each chapter understands this relationship and operates within the set policies and procedures of their respective national bodies and Michigan State University. In addition, it is equally important that potential new members also understand that they must adhere to these same policies and procedures during the membership intake and recruitment processes by way of making sure that only those requirements listed within each organization’s membership intake and recruitment process occur, and there are no instances of unauthorized activity. Herein stated,

one will find the procedures required by MSU FSL designed to ensure a smooth intake and recruitment process. It is important that it be understood that if these guidelines are not followed it will result in actions being taken by the MSU FSL, Office of Student Support and Accountability (OSSA), as well as contacting the respective chapter's advisor and national headquarters. Please handle the intake and recruitment process with a sense of integrity, civility, and respect.
